

Week 1 Option C: Family/Friend Interview

:

After watching CNN 10 Student News, interview a friend or family member about their experience during COVID19 outbreak.

****Please note for this experience we are looking for a non high school aged individual, so please choose somebody over the age of 18 for this assignment and do not violate the recommended social distancing guidelines.***

After conducting the interview, answer the following questions on the Digital Attendance Check-in. When answering the questions on the Attendance Check-in make sure that you are using complete sentences whenever appropriate and are answering all parts of the questions.

- 1) Name, Age and relationship of the person you interviewed
- 2) Before the pandemic what would they normally be doing between 8-5pm?
- 3) How has COVID19 changed their work and/or general living schedule?
- 4) What are their general thoughts (list 3 things at least) about societies reaction and response to COVID19?
- 5) What is the first thing they would like to do once the quarantine is lifted?
- 6) What has this pandemic made them (or helped them) appreciate in their life that they didn't before?
